INFORMATION FOR ORGANISATIONS  
USING VOLUNTEERS IN THE PUBLIC,  
VOLUNTARY & COMMUNITY  
SECTORS

## **DO YOU NEED VOLUNTEERS? HOW WE CAN HELP**

If you are a public, voluntary or community sector organization who could benefit from using volunteers, we can support your recruitment through our brokerage service.

Registering your organization and opportunities with us will:

- ❖ Allow us to advise and inform volunteers on the opportunities available in your organisation.
- ❖ Allow us to refer volunteers to you who match the requirements of the volunteer role as described by you.
- ❖ Allow us (with your permission) to advertise your opportunities. This may include promotional displays, using the media, CVS newsletter and regular mailouts to key organizations.
- ❖ Allow us (with your permission) to upload your opportunities onto the national volunteering database, [www.do-it.org.uk](http://www.do-it.org.uk).

By registering with the Telford and Wrekin Volunteer Centre you will also be invited to attend regular Volunteer Organizer's Forums which are opportunities for networking, support, sharing of good practice and informal training.

The Volunteer Centre also offers advice and guidance on all issues concerning volunteers and volunteering.

A Good Practice Manual on Volunteer Management is available free of charge to all organizations affiliated to the CVS.

Although Telford and Wrekin Volunteer Centre has access to a large number of potential volunteers we cannot guarantee that we will signpost or refer volunteers to you. Volunteers who visit the Volunteer Centre are given a minimum of three options to consider. They are then invited to contact organizations of their choice or if they prefer, referral details will be sent from the Volunteer Centre.
